Bloomberg quotes Matt Morris in “The ‘Very Strange’ Item on Trump’s 1040: Alternative Minimum Tax”

MARCH 16, 2017

Bloomberg quoted Matt Morris in an article examining the content of the first two pages of President Trump’s 2005 tax return, which were leaked earlier this week. The limited data in the leaked tax return hint at irregularities in the President’s finances during that year, but provide little insight into the underlying causes.
