### Bloomberg News quotes Jon Barooshian in, “Drug Makers Being Probed by States Over Opioid Marketing”

JUNE 16, 2017

Bloomberg News and BNA quoted Jon Barooshian in an article, “Drug Makers Being Probed by States Over Opioid Marketing”. In the article, Barooshian commented that the coalition is probably questioning how much the drug makers knew about the effects of opioids, but more importantly when they knew of the addictive effects.
