Big Brothers Big Sisters of Massachusetts Bay to Host the Bowditch-Sponsored Daquan Burrell Memorial Big Golf Tournament

MAY 21, 2019

Big Brothers Big Sisters of Massachusetts Bay will host the Daquan Burrell Memorial Big Golf Tournament on June 18, starting at 9 a.m. at the Stow Acres Country Club in Stow, sponsored by Bowditch.

The tournament, which has been run by active and retired Big Brothers since 2003, including Bowditch partner Joshua Lewin, has raised more than \$500,000 to benefit the organization's mission of serving children in Boston's highest-risk communities and matching them to a mentor. It was renamed in honor of Daquan Burrell, a Little brother who was lost under tragic circumstances in 2017.

The day will begin with a shotgun start, followed by a cocktail reception, dinner and a speaking program.
