Cybersecurity Threats and Employment Law in a Remote World (Webinar)

On April 1, 2020, a distinguished panel of subject matter experts explained the threats and discussed cybersecurity and employment law best practices. This New England Corporate Counsel Association (NECCA) webinar included how corporate counsel can assist through setting corporate policies and structuring of agreements with suppliers and customers. The panelists also addressed the rapidly changing work landscape necessitated by the COVID-19 outbreak.

Topics included:

- The threats that companies face
- How to proactively protect the company and address the new challenges presented by COVID-19
- Importance of training employees as part of risk prevention
- Employment law issues for remote workers

Presenters:

- Rory Fazendeiro, Business & Finance, Bowditch (Moderator)
- Noam Liran, National Manager of Federal Engineering and Customer Success, CyberArk Software
- Shaun Vodde, Vice President, Forensic Technology & Consulting, TransPerfect Legal Solutions
- Ramsey Hajj, Cyber Risk Services IoT & ICS Leader, Deloitte Risk & Financial Advisory
- Robert Young, Labor & Employment, Bowditch
