Leah Rochwarg Moderated “Understanding Massachusetts Prompt Pay Act” (Webinar)

On June 23, Leah Rochwarg co-moderated the webinar “Understanding Massachusetts Prompt Pay Act” presented by the Boston Bar Association.

The Massachusetts Prompt Pay Act and the Subsequent Retainage Act set the ground rules for processing payments on private construction work. Do you and your clients know the rules? Have you advised them well, and have they been following that advice? Well, now there’s a case that goes a long way toward explaining and confirming how the process is meant to work, and some of the consequences of not following those rules. Join a panel of counsel well versed in the issues who can help guide you and your clients in following the rules, avoiding costly pitfalls, and anticipating questions that may still remain open.
