Bob Young Spoke at Massachusetts Lawyers Weekly's "Changes possible for 'joint employer' test" (Webinar)

Massachusetts' highest court recently heard oral arguments in *Jinks, et al. v. Credico (USA) LLC, et al.* The case will give the justices the opportunity to clarify whether courts should be looking to the state's independent contractor law, G.L.c. 149, §148, to establish who can qualify as a "joint employer."

On November 10, 2021, Bob Young joined *Massachusetts Lawyers Weekly* to discuss the current landscape, the possible tests for "joint employer," and advice for clients.
