## Tracy Thomas Boland Moderated “The Transformed Workplace: Retain and Recruit During a Workforce Shortage” with the Boston Business Journal

Employers in every industry and of all sizes are feeling the impact of the labor shortage. Competition for talent is intense and the constant reallocation of internal resources is exhausting.

On April 28, Tracy Thomas Boland and a panel of experts joined the *Boston Business Journal* for a virtual event to discuss how to:

- Keep the talent you already have by addressing employee satisfaction and morale
- Identify untapped talent pools to add to your workforce
- Reimagine your workforce and “workplace” in a way that suits modern trends in staffing
