Robin Lynch Nardone to Discuss Basics of Stock Options and Restricted Stock Units at Domestic Relations Financial Summit

MCLE's fourth annual Domestic Relations Financial Summit will cover everything financial: from child support, college contributions and special needs financial planning for children, to trusts, business valuation methodology, and stock options and restricted stock units. The program will provide practical and timely advice from judges, experts, and experienced practitioners.

At the summit, Robin Lynch Nardone will present on the panel "Stock Option and RSU Basics—What are They, When are They Taxed, When Treated as Income Versus Asset, Nuances, and How to Divide Incident to a Divorce."

9:30 AM – 4:30 PM
