

STAFF ATTORNEY

Erika A. Alley

T. 617-757-6546 E. ealley@bowditch.com

OVERVIEW

Erika Alley is a Staff Attorney in the Estate, Financial & Tax Planning Practice Area. She has a broad range of experience in estate planning and trust law, having concentrated her practice in those areas for over 20 years. In her role, Erika supports other attorneys in the practice by drafting a wide variety of estate planning documents.

Besides Work

Erika can often be found at multi-day swim meets either in the stands watching her twin daughters compete or on the pool deck officiating. Despite having resolved, upon finishing her competitive college swimming career, that she would never again wake up in the dark to jump in a cold pool for early morning practice, Erika now finds herself doing just that as a member of the local masters swim club. Away from the pool, she enjoys spending time with her family, running (while listening to audio books), reading and playing board games.
